

Allschwil, Switzerland – November 1, 2011

### **Bilcare Research AG announces appointment of new CEO**

Bilcare, a leading player in Pharmaceutical Packaging Innovations globally, announces the appointment of Thorsten Kühn as Chief Executive Officer with effect from 1<sup>st</sup> November 2011. As a CEO, he will lead Bilcare Research AG, head quartered out of Allschwil, Switzerland.

Thorsten Kühn has a broad and extensive international experience in the Packaging business, having held several Senior Management positions worldwide.

“I am delighted to have Thorsten on board and appreciate his customer focussed approach which matches with Bilcare’s DNA. His appointment in Bilcare Research AG marks an important step in strengthening our customer commitment by way of offering Generation Next solutions and also by providing quality leadership to the management team,” comments Mohan Bhandari, Group Chairman, Bilcare.
